#### MONTHLY BILLING

As a reminder, please be sure to check your monthly invoice for accuracy. If you find a discrepancy, please report it to the SNJREBF enrollment team. The Fund's policy is to limit retro corrections, *including terminations*, to 60 days. We have noticed an increase in requests for enrollment changes, billing changes, terminations and additions well past the 60 day time frame. Moving forward, it is of the utmost importance to review bills for rate and enrollment accuracy on a monthly basis. If there is an error, please bring it to the enrollment team's attention.

#### **BROKER CONTACT INFORMATION**

Please direct any escalated claims, benefit coverages, prescription coverage, Medicare advantage or appeal related questions to our dedicated SNJREBF Client Servicing Team. The team can be reached by email at brokerservices@permainc.com.

#### **EXECUTIVE DIRECTOR'S REPORT**

FINANCIAL FAST TRACK - as of

#### 2021 BUDGET INTRODUCTION

Executive Director said the 2020 budget for introduction was included with the Agenda. This version reflects updates for reinsurance and Medicare Advantage that were not available at our August meeting. The overall increase is now at 4.92%.

Claims Funds - The actuary determined the medical and Rx increases. His projection included claims through 5/31/2020, but because of the decreased claim activity due to the pandemic, his projection was based on 2019. The claims in the second half of 2019 were running higher than the first half, in particular, the Amerihealth claims which has a projection of +58%. Because the AHA population is very small and not credible, the budget reflects a blending of the Aetna and Amerihealth claims. If this trend continues into next year, further steps may be considered.

Formulary rebates were better than estimated in last year's budget; therefore, an additional savings was included in this budget.

**MRHIF Renewal** - SNJHIF's experience in the MRHIF is favorable, so an 11.96% decrease has been included.

**Fully Insured Programs** – The Dental DMO and Aetna Medicare Advantage proposals are final.

**Expenses** - Expenses are updated and consistent with RFP responses. Aenta's contract includes a sliding scale fee schedule, which decreases their PEPM fee as our Statewide population increases. This year, the Funds will receive a \$1.50 decrease as a result.

**Assessments -** Set forth by Fund policy, the assessments include the Loss Ratio Factor of +/-2.5%.

**CCBOSS** – The Board of Social Services has been running slightly better than the rest of the Fund and since it is rated on its own, the Board's renewal is better than average.

#### MOTION TO INTRODUCE THE 2021 BUDGET AS PRESENTED:

#### **RFP RESULTS**

Executive Director said the Professional Service contracts were approved at the last meeting, however the Auditor was re-released to clarify pricing and term dates. The results are not complete but will be for the October meeting.

#### AMERIHEALTH CONTRACT

Executive Director said we continue to address with AHA their requested contractual changes. Most issues have been resolved but we await their input on several final issues. Once we have reached an agreement with them, we will brief and seek approval from the Contracts Committee and will add any required contract amendment to the agenda of our next meeting.

#### MRHIF SEPTEMBER MEETING RESULTS

Executive Director said the MRHIF met on September 9th with the following outcomes:

- 1. The 2020 MRHIF budget was introduced with the following characteristics:
  - A. Overall reduction of 13.71%.
  - B. The claims projection is reduced due to long-term trends of stable and reduced costs for claims in the MRHIF layer.
  - C. There is no increase in reinsurance cost for 2021.
  - D. Attachment points for local HIFs and the MRHIF will remain the same in 2021.
  - E. Expenses reflect the outcome of RFP processes for most professionals.
  - F. GASB 45 compliance costs are rising due to a cyclical increase in valuation reports.
  - G. Most members are receiving assessment reductions due to favorable loss ratios. However, the NJ HIF is receiving an assessment increase due to persistent high claims experience.
- 2. The Express Scripts contract was extended through 12/31/2021 with improved discounts and formulary rebates. In addition, an RFP for the Rx consultant role was authorized to assist with a full scale RFP for pharmacy benefit manager services for 2022 and thereafter.
- 3. RFP results for fund professional positions were accepted with incumbents being reappointed in every case.
- 4. The cyclical claims audit of Aetna is getting underway in October. This audit will also include an evaluation of the effectiveness of the Aetna National Advantage Program (their secondary network).
- 5. MRHIF authorized a study to evaluate the feasibility of HIFs directly contracting with service providers to reduce costs.
- 6. The reinsurance agreement with US Fire was approved for 2021.
