AETNA UPDATE

Contract Negotiations with Jefferson Health

There continues to be dialogue between Aetna and Jefferson Health. Jefferson Health has provided another 30 day extension from October 1, 2021 through October 31, 2021. The new contract is now set to terminate on November 1, 2021. Due to the extension letters are targeted to mail on or before September 20, 2021.

Contract Negotiations with Crozer Health

The Aetna contract with Crozer Health was set to expire October 1, 2021 for Commercial and Medicare plans. Crozer Health has provided a 30 day extension from October 1, 2021 through October 31, 2021. Due to the extension, the contract is now set to terminate November 1, 2021. Aetna is involved in active negotiations with Crozer Health and working toward an agreement. Letters will not be mailed at this time.

Currently 5 members in SNJREBF who utilized a Crozer Health provider or facility in the last twelve months.

Aetna ID Card Changes -What's happening and when

The "No Surprises Act" contains several Commercial insurance provisions. For ID cards, the rule requires health plans to include, family and individual in- and out-of-network deductibles and out-of-pocket limits for both medical and Rx plans. Aetna will also need to include a phone number and website address that patients can use to find provider network status information. So, beginning September 24, 2021, Aetna will add this required information to ID cards. These federal changes impact all fully insured, self-insured and Commercial ID cards.

Our reissue plan

After September 24, cards will be in the new format for the following:

- New business
- Replacement cards
- New members
- Renewals in October, November and December 2021

For each renewal month in 2022, Aetna will let ID cards flow naturally for the month leading up to the renewal date.

Next, Aetna will take a 30-day look back for members with a renewal date of the first of each month. For those members who haven't already received a card, Aetna generate cards using our normal process. This means, subscribers with a registered email will receive their new card(s) digitally. Those not registered will receive a physical card in the mail. We have 30 days after the renewal date to issue cards.

LEGISLATIVE UPDATES

"Back to Work" COVID-19 Tests: Insurers are not required to cover COVID-19 tests that employers may mandate as they bring employees back to work. The Families First Coronavirus Response Act (FFCRA) requires insurers to cover COVID-19 tests without patient cost-sharing, however guidance clarified that the law only applies to tests that are deemed "*medically appropriate*" by a healthcare provider. This guidance suggests that if an employer mandates COVID-19 testing as a condition for returning to work, it is not required to be covered by insurance. The Health Insurance Fund will continue to cover COVID-19 testing when deemed medically necessary by a healthcare professional in accordance with CDC guidelines but *will not* be covering employer-mandated testing.

COVID-19 population alerts

Hot Spots in the United States - Map (to the right)

The map shows how the number of new cases have CHANGED in the last two weeks across the U.S. (not plan sponsor-specific). This provides an indication of which direction the level of new cases is trending.

County Alerts (below)

The tables below show the average daily new cases per 100,000 individuals by county over the past 7 days. These rates are reflective of the overall population of the county, not of your specific membership. We are providing this information to inform you where you have membership in counties that are experiencing a high or emerging rate of new cases.

The CDC collects new case counts at the county level. We are using this information to calculate a "7 day average new case count." This data is then normalized for population size (new cases per 100,000 individuals) to smooth unusual daily highs or lows, often caused by data collection fluctuations.

The county information below is for your top 25 counties (by membership) which have been identified as having either a high (>25) or emerging (10-24) average daily case rate. Note: There could be less than 25 counties in the tables or none at all if the alert criteria is not met in counties where you have membership.

Heat map of recent growth by county. This map shows the percentage change in cases between the last seven days and the previous seven days. Darker colors indicate an increasing trend while lighter colors indicate a decreasing trend. Last Updated: 8/16/2021 | Source: CDC

High risk counties (red) had greater than 25 daily new cases per 100,000 people last week
 Emerging risk counties (orange) had between 10 and 25 daily new cases per 100,000 people last week

CORRESPONDENCE –

EXECUTIVE DIRECTOR’S REPORT

FAST TRACK FINANCIAL REPORT – as of May 31, 2021 –Executive Director Koval said the claims have been running fairly high for the year. She said June is starting to look better. She said we probably will not have as good of a budget as the past few years, but we hope to have preliminary numbers in August.

MRHIF MEETING – Executive Director Koval said the MRHIF met on July 14, 2021 and the following items were discussed that requires attention or action from the local Funds.

1. PHARMACY BENEFIT MANAGER (PBM) RFP DECISION: The MRHIF released an RFP for a PBM in early March. Responses were received on April 9 and were reviewed by the Fund PBM consultant, ELMC. The MRHIF Contracts committee met in late June to interview both companies, and follow-up information was subsequently obtained by the consultant. The recommendation of the committee (3-1) and the consultant was to award a contract with Express Scripts, through the Level Care Coalition. This arrangement is projected to save the Fund approximately \$15.1 million (22%) annually over the course of the 3 year term. Southern HIF’s share of the savings is approximately \$1,579,000. This arrangement also provides the least formulary and clinical disruption.

The MRHIF Executive Committee unanimously agreed to award the contract to Express Scripts, through Level Care.

2. AENTA MEDICARE ADVANTAGE RENEWAL: The Aetna Medicare Advantage/EGWP renewals were negotiated at the MRHIF level on behalf of all the Funds. Aetna has offered a 3 year contract with no increase in 2022 and not to exceed 2% increases for 2023 and 2024.

Each Fund will need to make motion to accept this renewal or can issue its own RFP. If the renewal is accepted, the formal resolutions will be included in future agendas.

MOTION TO APPROVE THE AETNA MEDICARE ADVANTAGE/EGWP RENEWAL, AS PRESENTED.

3. MRHIF RETURNS - The Executive Committee agreed to make two returns to the local Funds. Last month, Express Scripts paid MRHIF for missed performance guarantees for implementation and discounts. The total allocated to the SNJHIF is \$113,493.97. In addition, the MRHIF unanimously approved a \$4.5 million dollar dividend, of which the SNJHIF will receive \$352,053.

These dividends will be booked on the July financial reports.

RFP RESULTS - Executive Director Koval said the Executive Committee approved the release and an RFP for the Executive Director and Program Manager at the May Meeting for a 3 year term starting January 1, 2021. Responses were due on June 30, 2021. There were no competing bids. The Committee reviewed and is recommending for approval. Resolutions 20-21 and 21-21 were included for approval.

We are however excited to announce the addition of Samuel DeMarini to the Program Manager's team. Sam will be working in the Camden office an Employee Benefits Specialist and will be supporting the various Health Insurance Funds.

AETNA UPDATE

Contract Negotiations with Jefferson Health

Program Manager Friel said the Aetna contract with Jefferson Health was set to expire September 1, 2021, but extended through October 1, 2021. Aetna is involved in active negotiations with Jefferson and working toward an agreement. If the contract is not settled, Aetna expects member disruption letters to mail on August 20, 2021. Currently 650 members in SNJREBF who utilized a Jefferson provider or facility in the last twelve months.

We are following this very closely with our Aetna team and will provide updates prior to the August 20th letter mail date.

In response to Commissioner Shannon, Ms. Friel said they continue to monitor along with Aetna.

Federal “No Surprises Act”

Program Manager Friel said the "No Surprises Act" (NSA), is a ban on surprise medical bills effective in 2022 that was enacted as part of the Consolidated Appropriations Act (CAA) passed at the end of 2020. On July 1, 2021, the federal agencies issued interim final regulations outlining certain requirements related to surprise billing. Highlights from the ruling include:

- **Defining Payment Amount** – establishes guidelines qualified payment amounts based on a health plans historic median contract rate for similar services in a geographic area.
- **Initial Provider Payment** – guidelines for out of network payment rates and timeframes made by a group health plan.
- **Notice to Provider** – Formal notice sent to providers outlining payment, negotiation periods, and independent dispute resolution.
- **Patient Protections** – Requires providers and facilities to provide written notice of possible higher out of network charges at least 72 hours before appointments.
- **Emergency Services** – Outlines requirements for payments of Emergent claims and responsibility of Group Health Plans to pay claims as deemed emergent by a prudent layperson.

This interim rule represents the first guidance on the process of implementing the extensive surprise billing requirements in the NSA. Conner Strong’s compliance unit will be following this closely, as more information releases.
