Your new Aetna® ID card should arrive soon.

Look for a **purple** envelope that clearly states, “**Your new member ID card is enclosed.**”

We’re upgrading the system we use to administer your health plan. That means some basic information, including your member ID number, will change. Because of this, we will send you a new Aetna Medicare PPO ID card. Keep an eye on your mail so you don’t miss it.

It’s important to show your new card to your providers any time you receive medical care in 2022. And remember to replace your current ID card with your new ID card on January 1, 2022.

Questions? Give us a call at the number on your ID card.
