

Get Screened, South Jersey Early Detection Saves Lives

Cancer doesn't wait. Neither should you. Regular cancer screening can save your life. Screening tests can help detect changes in your body before they become cancer or catch cancer early when it may be easier to treat. Many tests are available at no cost or are covered by insurance.

Sponsored by: MD Anderson Cancer Center at Cooper and the Camden County Cancer Screening Project.

Saturday October 4, 2025 • From 8 a.m. to noon
900 Centennial Blvd., Building 1, Voorhees, NJ 08043

Saturday November 8, 2025 • From 8 a.m. to noon
3 Cooper Plaza, Suite 100, Camden, NJ 08103
